## FLOWER OF LIFE AWARD

Presented to **Justita Fernandez** of the HONEYSUCKLE HOUSE  
as the team member that best represents the  
Six Hallmarks of Resident Focused Care.

The **Flower of Life** is an ancient symbol with numerous cultural interpretations. Peristyle Residences has adopted The Flower of Life to represent our 6 Hallmarks of Resident Focused Care:

- **Care** The fulfillment of the special needs and requirements that are unique to seniors.
- **Compassion** We recognize and have compassion for the ever changing physical and mental well-being of our residents, and we strive to make each day meaningful.
- **Comfort** We provide a True residential home with all of the comforts people are accustomed to while our care givers provide assistance to support physical ease and relaxation.
- **Community** Our care givers foster meaningful relationships with each individual and encourage interactions with other residents to enhance our small community.
- **Communication** is vital to meet the needs and expectations of our residents and their loved ones. Our staff is trained to listen, respect, and respond.
- **Choice** is an important element of our quality of life. We encourage resident directed care and recognize each resident's individuality and the importance of self-determination.

Thank you for your dedication to our home, our residents and their families!

Others are homelike, We are HOME.
